THE DETAILS

The Clean Up Coordinator would be responsible for engaging with Panorama Hills community members and coordinating regularly scheduled clean ups in and around the Panorama Hills area. This group is open to all ages and abilities.

THE IMPACT

Aside from the positive environmental and physical health impacts of regular clean up event, the social impact is where the value will be. The goal is to encourage community members to create connections with new and old friends and help stop the isolation that many have felt over the past year.
